

Trillium
Gift of Life
Network

1 877 363-8456
416 363-4438 (Ext. 2)

For patients aged 79 and younger,
Always notify Ontario Health (Trillium Gift of Life Network)
except when:

- Suspected time of death is greater than 8 hours and no resuscitation efforts made
- Suspected or confirmed IV drug use

As part of end-of-life care, a TGLN Coordinator will connect with the family over the phone to discuss the opportunity for tissue donation
